WHERE IT BEGINS IS WHERE IT ALL ENDS

Romans 4:1-25

If you want God in your life, you don't get there by being good. You get there by putting your faith in him.

Faith is relationship based. When you live in faith, God becomes the center of your life.

If you want God in your life, you don't get there by following religious rituals. You get there by putting your faith in him. This not only applies to salvation, it applies to every part of the Christian life.

Faith is the key that unlocks the promises of God in your life.

1. Aim for faith that expects the impossible.

Abraham knew what God was saying was impossible, but he believed him anyway.

Nothing is impossible with God.

2. Aim for faith that stays on target.
Unwavering faith means that even when you slip, you get back up and keep trusting God.

3. Aim for faith that gets bigger and better.

Faith is the key to unlocking the promises of God in your life. Through faith we're saved. Through faith we grow. Through faith we receive eternal life. Through faith we experience the abundant life. It's the key to everything God has for you.
