Vision begins with the ability to see this day with precision and accuracy — to have a clear u_____ of who we are and where we are in this moment.

The key to 2020 Vision is to develop the ability to see t_____ in terms of where it can take you.

**When people lose their why, they tend to lose their way.
Discouragement isn't caused by the absence of things; it's caused by the absence of vision.**

Having vision involves learning to view your future in terms of what might be the best possible outcome *and* determining that which is most worthy of your effort. Ref: Matthew 7:24

Our God given vision for the life we are called to live must be more than a dream, and it must be more than good intentions. It must be put into p_____.

Thomas Edison said, “Vision without execution is hallucination.”

Three steps involved in putting your long-term vision into practice on a day-by-day basis.

You start by reducing your i_____. Ref: Col.3:5-6

If you want to be a person of vision, if you want your life to be what it can be, you have to be willing to say, "Some things have got to go."

Which of my habits and attitudes and behaviors do not look like the person I want to be?"

2. Develop a Daily R_____. Ref: Psalm 90:12

"Lord teach me today to make the most of my time, and make my efforts successful."

The key to having 2020 Vision is the ability to see t_____ in terms of what needs to be done.

3. Settle in for the long h_____. Ref: Pro: 21:5 Gal. 6:9

There is no vision without p_____. There is no vision without day-by-day execution.
